PROFESSIONAL SUMMARY

Detail-oriented and innovative Full Stack Web Developer with hands-on experience building scalable, high-performance web applications using the MERN stack. Proficient in React.js, Next.js, Node.js, and REST APIs. Demonstrated ability to design responsive UIs, integrate third-party APIs (OpenAI, Razorpay), and deploy production-grade applications. Solved 500+ DSA problems on LeetCode.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS

Backend: Node.js, Express.js, REST APIs, WebSockets

Databases: MongoDB, MySQL (basic)

Tools & DevOps: Git, GitHub, VS Code, Postman, Vercel, Netlify

Other: Three.js, React Three Fiber, OpenAI API Integration

WORK EXPERIENCE

Full Stack Developer | Quantum University | Currently

- Developing software and web applications using modern full-stack technologies
- Building scalable solutions with focus on performance and user experience
- Collaborating with team members to deliver high-quality applications

React.js Intern | Talentrise Technokrate Pvt. Ltd | April - April

- Developed and maintained responsive React.js components for client-facing web applications, improving UI consistency and cross-browser compatibility
- Collaborated with the backend team to integrate REST APIs, enabling seamless data flow between frontend interfaces and server-side services
- Participated in daily stand-ups and code reviews within an Agile workflow, contributing to on-time feature delivery

Full Stack Developer Intern | TechEve | Feb 2026 – April 2026

- Developed a full-stack web application using Next.js (frontend) and Node.js (backend), improving page load performance
- Engineered responsive, accessible UI components using React.js and Tailwind CSS, ensuring cross-browser compatibility
- Collaborated in an Agile environment, participating in code reviews and sprint planning to deliver features on schedule

PROJECTS

SkillSync – AI-Powered Career Platform — skillsync106.netlify.app

- Built a full-stack platform featuring an AI Resume Builder, AI Interview Practice module, and Tech Quiz generator
- Integrated OpenAI APIs for real-time question generation and AI-driven interview feedback

LibLab – Library Management System — liblab.netlify.app

- Developed a full-stack library management platform with Razorpay payment gateway integration
- Implemented secure user authentication, book issue/return workflows, and an admin dashboard

DevToolsHub – Multi-Tool Developer Platform — devstoolhub.netlify.app

- Created a suite of browser-based developer utilities: Color Picker, JSON Formatter, Markdown Editor, Regex Tester, Code Beautifier
- Optimized performance and UI consistency, improving usability by approximately 20%

KEY ACHIEVEMENTS

- Built and deployed 3+ full-stack production web applications using the MERN stack with live URLs
- Solved 500+ coding problems on LeetCode, demonstrating strong algorithmic and data structures knowledge
- Integrated OpenAI and Razorpay APIs into production applications, delivering real business value
- Tracked user engagement via Google Analytics, observing consistent return visits and organic growth on personal portfolio

EDUCATION

Diploma in Computer Applications (DCA) | Aug 2023 | Dehradun, Uttarakhand
High School | 12th Grade Completed in 2022 | Srinagar, Uttarakhand
High School | 10th Grade Completed in 2020

LANGUAGES

Hindi: Fluent | English: Intermediate
